

We Rock the Spectrum - Northern KY Field Trip Social Story

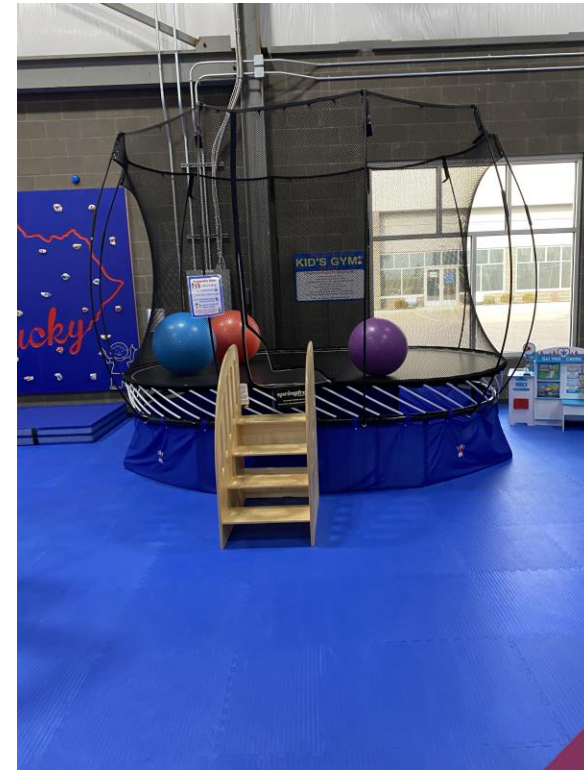

We are taking a field trip to We Rock the Spectrum Kid's Gym!

To play in the gym I need to take off my shoes. I will wear my socks.

At the gym I can swing, jump, play, run and climb.

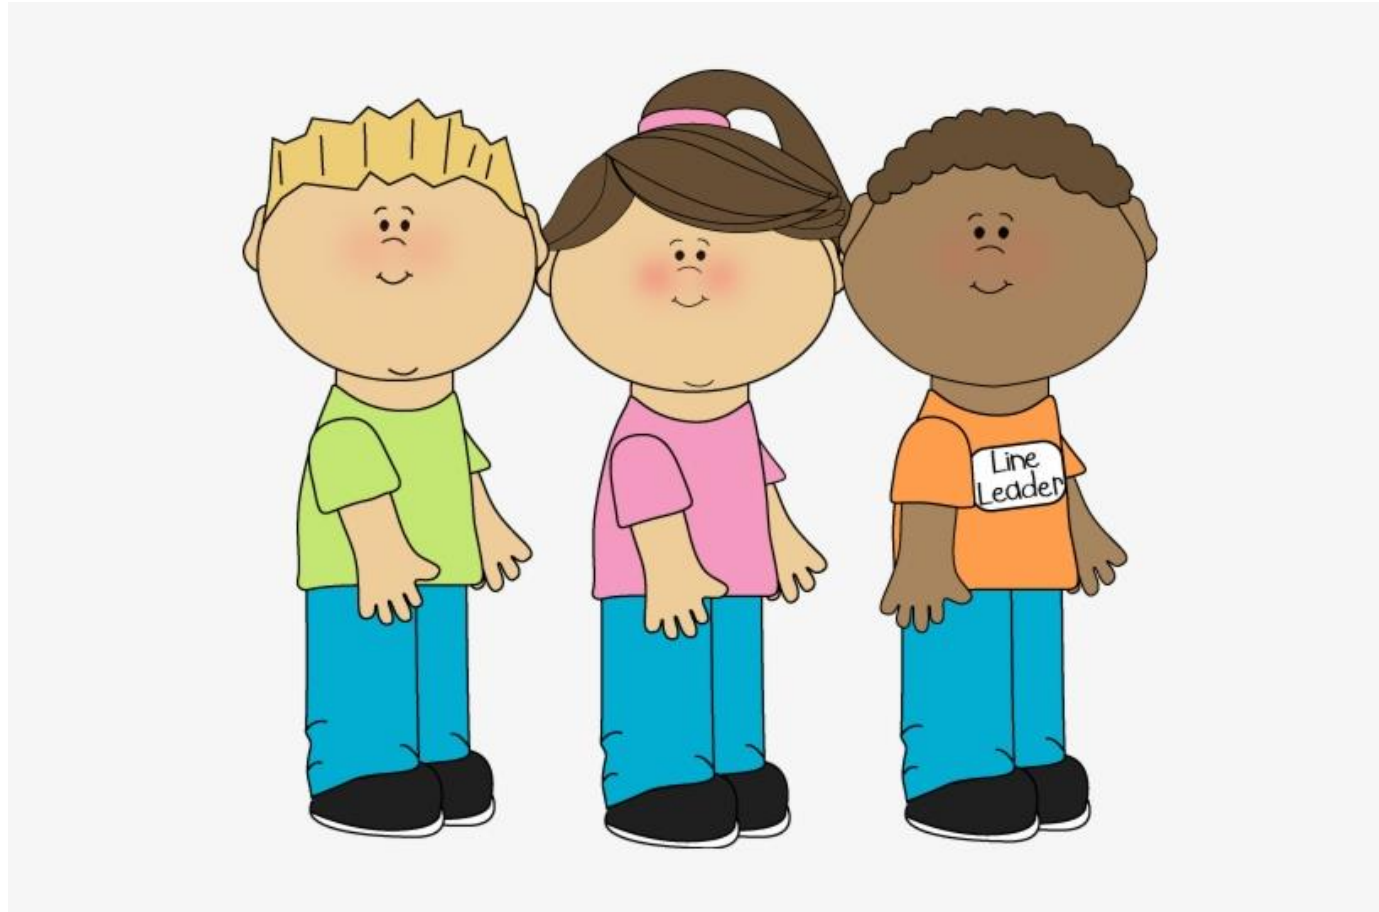

There are adults at the gym to help me learn how to use the equipment. My teachers can help me, too.

If the gym gets too noisy I can go to the calming room.

I might need to be patient and wait my turn to use the equipment.

When I want to take a break there is a room where I can color or play with puzzles and toys.

I will have fun at the gym!
